History of Clinton High School Memorabilia

The first edition of the Memorabilia was printed in 1913 by a graduating class of only thirty-six. The book was small and simple, but warm, a lasting remembrance of the high school days.

To the class of 1913 belongs the credit for establishing a tradition that has remained unbroken for 100 years. The birth of the Memorabilia is, perhaps seldom, if ever, considered. A yearbook at Clinton High seems to us as always to have been and always to be. It is as much a part of graduation as is the diploma itself.

As the size of the classes increased, so, of course, did the size of the yearbook change. However, the warmth remains and the Memorabilia is as treasured by the current graduates as it was by its founders. It points out the way to four wonderful years, now gone by, never to return, save on the paths of pleasant memories.

As stated in the Clinton High School 1963 Memorabilia

May this 100th edition Memorabilia be kept as a sacred reminder to all students of the class of 2013 ; allowing the precious memories of the best four years of our lives to be remembered for the rest of our lives. As we receive our diplomas on graduation day, we shall reminisce on the memories here at CHS with the friends we won't forget.

This year the Class of 2013 is proud to present this 100th edition of Memorabilia.

Thank You

The class of 2013 would like to express our thanks and appreciation to a number of staff and faculty members who have instilled in us vivid memories of our four years here at Clinton High School.

We would like to thank Mr. Hastings and Mrs. Kach for running an amazing school. We will surely miss seeing you around the corridors of CHS. Thank you to the Guidance Department, for helping us plan our schedules every year and especially for all your help during our senior year with daily visits to aid us in our future. We couldn't have done everything without the help and support from Mrs. DiMeco, Mrs. Solar and Mrs. Pupecki. To our Superintendent, Mr. Ingano, for always being there to support us in everything we do and for keeping us all on track. To Mrs. McDonald, this yearbook never would have been able to happen if it wasn't for your organization, assistance, and patience in creating it.

And finally a very special thanks to our class advisers. Thank you to Mr. Howard, who stuck with us all four years, always guiding and helping us through any obstacle we have overcome throughout our time here. Thank you to Mrs. McEvilly who was our adviser our first two years and to Mrs. Frisch and Ms. Jewett who stepped in to advise our last two years. We would have never been able to run such a successful and enjoyable class without all of your help, dedication and faith in us. Thank you all so much.

Freshman Year

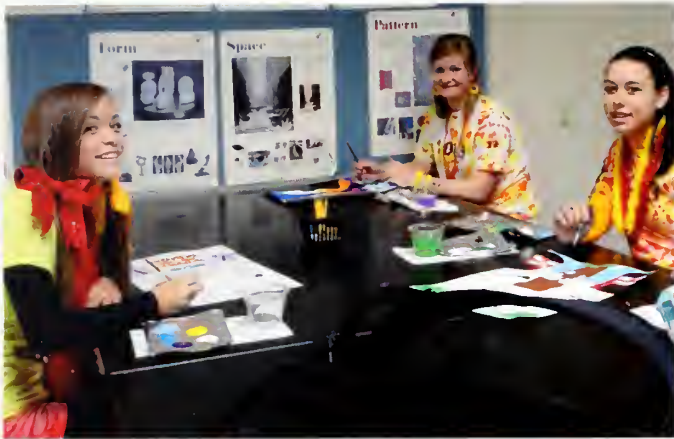

The class of 2013 walked through the doors of CHS for the first time in the Fall of 2009. Although we were nervous and shy, we overcame all of our fears and transformed into a strong class that worked together. Class elections were held in September and Laura Hazel was voted President while Steven Mendoza was voted Vice President. Madison Radoek was elected Secretary, Natalie Chase as Treasurer and the Student Council representatives were Jacqueline Mellado, Karen Ortega and Camila Vieira.

When Spirit Week rolled around, our class was underestimated just like every freshman class is. Although we were the least experienced we proved to the other classes that we were determined to put up a fight. Sadly we did not place first but we did put up a fight against the senior class and were proud to be second place winners.

After getting used to classes and our unfamiliar schedules, we fit right in and enjoyed making new friends, getting to know teachers, and attending school events including Homecoming Dance. We would not have survived freshman year without our supportive class advisors, Mr. Howard and Mrs. McEvilly.

Sophomore Year

The brooms came out of the closet in the fall of 2010 as we swept the title "dirt" away. We walked through the halls of good old CHS with Laura Hazel as our President, Steven Mendoza as Vice President, Katherine McGown as Treasurer and Madison Radock as Secretary. We proved ourselves worthy in the Spirit Week events by taking second place overall. Unaware of how fast the first two years flew by, we looked forward to the excitement which lay ahead.

Junior Year

When we returned to CHS in August of 2011, we were finally upperclassmen. Laura Hazel remained class President for her third year as well as Steven Mendoza for Vice President and Madison Radock as Secretary. Haley Gaughan was elected class Treasurer. Our first event of our Junior Year was our Autumn themed Homecoming. All of our commitment and enthusiasm paid off as we finally came in first for Spirit Week. Our Prom was held on May 19th, 2012 at Sterling Country Club and we enjoyed the Westboro YMCA for our after-prom party. We were thrilled to have finally completed our Junior Year and we were anxious to return as Seniors. We could not wait for the excitement that was to come our last year at CHS.

Senior Year

As we walked through the doors of CHS in August of 2012, the flashbacks from Freshman Year overwhelmed us. The beginning was already approaching its end. With the departure of our class advisor Mrs. Frisch, we welcomed Ms. Jewett with open arms to help out our veteran advisor, Mr. Howard, finish our time here at Clinton High.

The faithful leaders of the Senior Class were President Laura Hazel, Vice President Steven Mendoza, Secretary Madison Radock and Treasurer Haley Gaughan, and Student Council members Mackenzie Radock, Zachary Sullivan and Jasmine Mooloo. Through the college applications, acceptances, senior activities and memories made, we held our breath for graduation day on June 1, 2013. In cap and gown we came together for the final time as the class of 2013 and will forever cherish the remarkable moments of our Clinton High School education.

Spirit Week

Our final spirit week started off with us in the lead over the Juniors by only a few points. We went into the girls powder puff game pumped up and ready to win. The girls took first place for football while our boys took last place for cheerleading. As the week went on we shifted between first and second place while battling it out with the Juniors.

We showed our superiority on the last day when we came in first for our Lip Dub, Gym Decorations, Can Drive and Hats, Gloves and Mittens. We entered the gym ready to take the events away but we placed second in nearly every event behind the Juniors. To everyone's surprise we still took the title and became victorious for our second year in a row.

Junior Prom

On May 19th, 2012, our class arrived at the Sterling Country Club for our much anticipated Prom. The weather was beautiful and hotter than any of us expected. Our first stop was to Central Park to take pictures. When this was over we were off for an exciting night. After dancing the night away and enjoying a delicious buffet, our class advisers announced Queen, Natalie Chase and King, Justino Fregoso and their Court. We headed back into town and were ready for more fun at the YMCA in Northborough that was chaperoned by many of our parents.

During October of our Junior year, we celebrated our Homecoming. Our school gym was decked out and there was never a dull moment as students from all four grades sang and danced all night long. The night ended with the crowning of the King Steven Mendoza, and Queen Jacqueline Mellado. This was followed by the last dance for everyone and a group picture of the Juniors as we finished our Homecoming Dance.

Excel Club

The Clinton High School Excel Club displays loyal help throughout the community in numerous service opportunities. Led by Mrs. Rose Solar and Mr. Terranee Ingano, the group volunteered at the annual Old Home Day, the down town Halloween Walk, Operation Christmas Child, Relay for Life, the Senior Citizen Social and various other activities. The Clinton High School Excel Club is the largest Excel Club in the northeastern US, which makes all who participated truly special.

Step-up to Excellence

Step up to Excellence is a group of students chosen during a competitive selection process their sophomore year. Each student is paired with a mentor from Clinton High School. Each member of Step up participates in many community service projects, bonds through group events, has two summer trips and completes over 90 hours of community service. This years graduating class has a total of six students. Mackenzie Radock, Madison Radock, Jasmine Mooloo, Michaela Dion, Christian Smith and Juan Estevez. This class organized a project for local animal shelters by collecting needed items. They also ran a broom ball tournament with all profits going to send a family to Camp Sunshine. Each senior has volunteered at Camp Sunshine, a retreat for children with life-threatening illnesses.

FIRST Robotics

Celebrating its 22nd year of FIRST Robotics, Gael Force continued its winning ways. This year's game was Ultimate Ascent. Gael Force, Team 126 competed at the WPI Regional in Worcester, MA, the Boston Regional in Boston, MA, and the FIRST World Championship in St. Louis, MO. At the WPI Regional, Gael Force was able to "de-bug" the robot. We ended up seating in the top eight and then lost in the quarterfinals. When we arrived at the Agganis Arena in Boston for the Boston Regional, Gael Force was prepared to come out on top. Gael Force was seated fourth after all of the qualifying matches. The number one seated alliance, Team 125, The Nutrons, chose Gael Force as their number one pick. Team 125 and Team 126 chose Team 1511, Rolling Thunder to round off their alliance. This three team alliance out-scored their opponents in all of the matches they played together and ended up winning the entire Boston Regional. To make the day even better, Gael Force was awarded the most prestigious award in FIRST, The Chairman's Award. The three students that presented the Chairman's Award Presentation were Paige Tencati, Katie McGown, and Abigail Reyes. When the team headed down to St. Louis for the World Championship Event, they were ready to show the world what they could do. Gael Force was seated sixth in the Archimedes Division, and went on to the quarterfinals, where they lost in the semi-finals.

Girls' Soccer

This past season for the girls varsity soccer team was definitely one of the most memorable. Although we did not have a winning season, we never gave up. As the season progressed, the captains indulged a positive attitude on the team, which had a huge affect on all of the underclassman. Even though we were only a few wins away from making it to our ultimate goal, districts, the girls soccer team of 2012 left an incredible mark on Clinton High School.

Field Hockey

Although the Lady Gaels Field Hockey team had a tough season, the devotion of each player, as well as our coaches, encouraged us every day. The team was led by senior captain Natalie Chase and junior captain Emily Champagne, but without the guidance of the other two seniors Mikayla Notaro and Shannon Sargent, our team would not have been complete. The commitment and sportsmanship that our team displayed during every single game is what kept us strong and our coaches proud. Senior Natalie Chase and Juniors Maggie Fontaine and Amanda Makela were chosen as Mid Watch League D All Stars and participated in the Central Mass All Star game at WPI. Although the team will be losing three varsity starters, the team remains optimistic for next season. The sisterhood that the team has constructed over the years has made it possible for the Lady Gaels to display their pride and enthusiasm on the field.

After a slow start with losses to Littleton, Gardner, and Lunenburg, the Gaels pitched up their first win of the season with an exciting home win against Oakmont Regional by a score of 21-20.

Following another loss to Groton- Dunstable and powerful arch rival Nashoba next on their schedule their fortunes looked grim. But as true Clinton Gael football teams do, they rose to the occasion and took the unbeaten Chieftans into the locker room tied 0-0. But as fate would have it, Nashoba scored late in the 3rd quarter to take a 7-0 lead which would hold up to the final whistle. This heart breaker made the team believe and they won three of their last five games beating Quabbin in the "throwback" game at Fuller Field 44-24, Nipmuc, 27-26 and dismantling Maynard on Thanksgiving Day 32-7.

Led by senior captains Matt McEvilly, Matt Notaro, and Kyle Cutler, this year's team left the groundwork for the next young team to bounce back to their winning ways next year.

Boys' Basketball

This years basketball season ended up being one of the greatest seasons ever put together by a CHS basketball team. The team tied a school record of 20 wins, set a school record of 16 straight wins, went undefeated in Mid-Wach C and gained the #1 seeds in both the Clark Tournament and District Tournament. This type of season doesn't just happen. It took a talented group of underclassmen and the leadership of the Seniors, Matthew Notaro, Kyle Cutler, Alex Santiago, Ardell Spinder and Zack Sullivan to leave this legacy of being one of the best teams in school history. Senior Alex Santiago was named to the Mid Wach C All-Star team along with Junior Edward Rupia and sophomore Brendan Kittredge, who was voted Co-MVP of the league.

The Clinton Girls' Track and Field Team ended up with 5 losses and 1 win this season. Again the girls' team lacked depth in numerous events but were able to compete due to the strength of certain athletes. Leading the way for the team were Captains Monique Daniels and Laura Hazel in sprints and jumping events and earned the most points for the team this season. Captain Paige Tencati could always be counted on to place in the 100M hurdles. Rounding out the senior group was Erica Anderson and Jaileen Ortiz in Distance Running and Vianea Ayala in Discus. Huge contributions from the underclassmen came from Megan Irish, Rachel McGown and Allie Wickham.

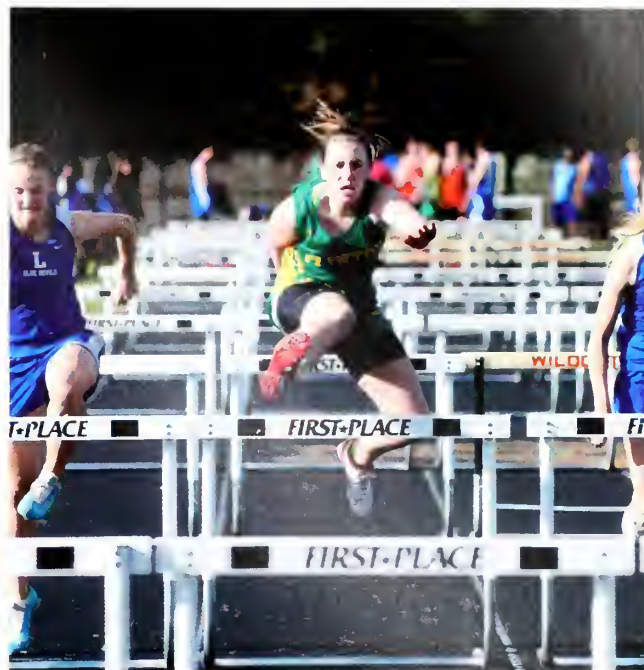

Special recognition goes to Monique Daniels for her amazing four years of accomplishments in Track and Field at Clinton High. She owns five school records of which three of them she accomplished her Senior Year in the Long Jump, Triple Jump, and 100M dash. She also holds the High Jump and 4x100M Relay record with her teammates Diorys Feliz, Laura Hazel, and Paige Tencati. Special thanks to Monique for her many successes and for attaining prestige for Clinton Girls' Track.

On May 29, 2013 the Senior Class assembled in the CHS auditorium for their Baccalaureate ceremony. Guest speaker Mr. Robert Waitt's message was about the importance of setting goals and how the experiences at Clinton High School will be part of the students accomplishments later in life. The seniors then watched the Class of 2013 Video Production produced by Mr. Paul Morrison and the Greenlight Studio Staff. The Ceremony was concluded by singing "You'll Be In My Heart" written by Phil Collins. The Baccalaureate Ceremony was followed by refreshments in the cafeteria lobby with friends and family.

MATTHEW

Have the courage to go beyond other people's rules and expectations. Live and write your own story, then be brave enough to communicate it authentically to others. People will be inspired by it, will learn from it, and will have the courage to change their own lives because of the example you have set, ... but most importantly be happy with yourself.

Enjoy the Journey,
Walter, JoAnn

"If you can imagine it, you can achieve it; if you can dream it, you can become it"

Matthew,
God blessed you with unique talents and abilities
and you have used those gifts well!
You've taken nothing for granted; rather, you have
worked hard to prepare for a challenging future.

A future which holds so much in store, Blessings,
Challenges, Dreams and more.
May all your wishes and hopes come true, and may
the years be good to you.

We are so proud of you and all you have
accomplished. As your parents, it has been a joy to
watch you grow up into a caring, confident, and
successful young man.

"A brother is a friend God gave you; a friend is a brother your heart chose for you."

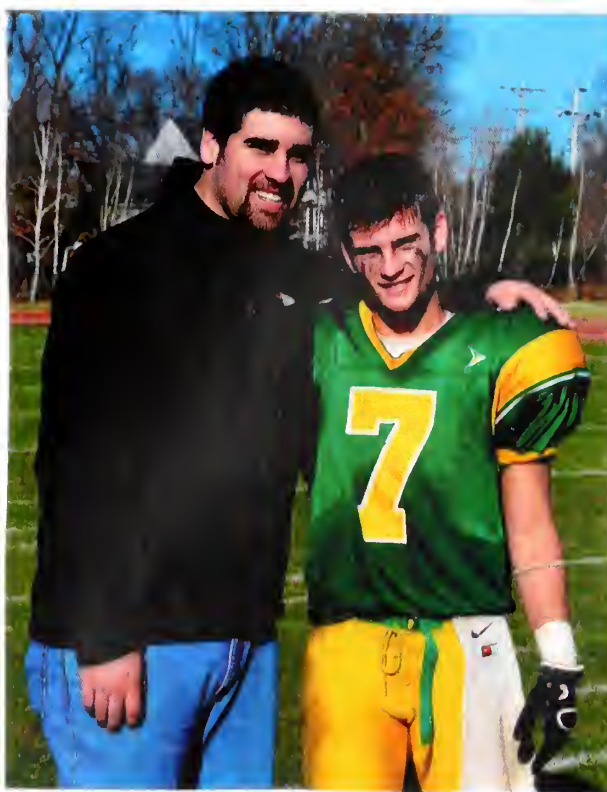

Matt,
Memories run through me
Of old times spent with you,

You've grown in front of me
From a boy to a man,
I couldn't be much prouder
To be your brother & biggest fan.

You're strong willed and devoted,
Tough and dignified,
You're a captain and a leader
Who always plays with pride.

As you graduate and go to college
I know that you will see,
Greatness lies within you, AND
If you need me, there I'll be.

Congratulations,
Mike
